Shri Raghupathi Peddireddy, Convenor, MSPA-2024 presided over the 1st General body meeting. After detailed deliberations, the house passed the following resolutions:

Zone and Group Classifications:

Zone Classification :- Based on geographical area, all Telangana mines were grouped in Zone - I (17 mines) except for TSMDC Limited [Orient Cement] mine, which was the only mine producing more than 3 MTPA in Telangana and has been included in Zone - II. Mines in Palnadu & Krishna districts were considered in Zone - II (21 mines), and Zone - III comprises 31 mines from Annamaiah, Nandyal, & YSR Kadapa districts.

Group Classification :- Based on annual mine production, three groups have been classified:

- **A Group:** Mines with annual production of more than 3.00 MTPA
- **B Group:** Mines with annual production of 0.75 MTPA to 3.00 MTPA
- **C Group:** Mines with annual production below 0.75 MTPA

List of participating mines Zonal wise is enclosed as **Annexure - 1**

Keynote Address

Honourbale DDMS Hyderabad Region - 3, Covenor DMS, Nellore Region, Chairman and Secretary.

Shri **K. Gyaneshwar**, DDMS, Hyderabad Region - 3, welcomed all the member mines and congratulated M/s Penna Cement Industries Ltd for organizing the Mines Safety Week Observance 2023 in a grand manner. He also extended his best wishes to M/s Andhra Pradesh Mineral Development and Corporation Limited, Mangampeta unit, for hosting this year's Mines Safety Week Celebrations 2024.

He emphasized the importance of CPR training in the First Aid and advised to train few employees in CPR in each mine.

Shri **Raman Narayan, VP**, M/s APMDC Ltd, Vijayawada, welcomed the dignitaries, DGMS officials, Plant Heads, Agents, Mining Officials, and all members to the meeting. He requested the member mines to extend their support and cooperation in organizing Mines Safety Week 2024.

Shri **Raghupathi Peddireddy**, DMS Nellore Region, convener, welcomed all the participating members. He explained that observance of mines safety week is an important tool in improving safety in mines. First Mines safety week observance was stated way back in 1962-63 in Indian mines. Since then, Safety

Standard in Indian Mines was improved considerably. The primary goal of organising this safety week is to propagate the message of safety at the workplace and inculcate safe mining practices among mine workers. Safety week also provides an opportunity to showcase the best practices in the mines.

He further advised all the mine managements to ensure involvement of all the employees, including regular and contract workers in the forthcoming mines safety week.

He observed that last year, Zone III - zonal level function was well-organized by M/s. Sagar Cements Limited, Gudipadu with about 1,200 participants. He also congratulated M/s. Penna Cement Industries Limited for organizing the Mines Safety Week Observance 2023 in a grand manner.

Finally, he wished all the best to the host companies of this year and requested all the members of the different committees to put all-out efforts to organize the event successfully.

Vote of Thanks:

The 1st General body meeting was concluded with Vote of Thanks by Shri K. Gopinath, DGM (Mines), APMDC Ltd.
